Frank Thompson, Jr., Chairman
Committee on House Administration
United States House of Representatives
Suite H-326, U. S. Capitol
Washington, D.C. 20515

Dear Mr. Thompson:

In my letter to you dated 2/20/79, for the sake of brevity, realizing that your time is quite valuable, I inadvertently deleted the following information which I consider to be quite valuable in evaluating the investigative report given to you by the House Select Committee on Assassinations, dated September 6, 1978, clearing themselves of the charges in my allegations.

Even though I am the one who made and has proof of the charges I levied against the committee, I was not even interviewed until September 15, 1978.

To this date, not one of the witnesses who submitted sworn affidavits to the committee has ever even been contacted by the committee.

Blakey and Stokes, however, have cleared their committee of any wrongdoing!!

Sincerely,

Oliver Patterson
